Conference Day 1 - Thursday, February 22, 2024

7:30 a.m. to 8:30 a.m. | Early Riser | “Taking Care of Mentally Ill Patients on Hospice”, Kelley Newcomer, MD, Jo Anne Cattanach, LMSW and Araba McKinney, LMSW, VNA Hospice of Texas | Referrals to hospice of patients with primary mental illness refusing treatment, and terminal illness in patients with a serious mental illness are increasing. Treating these patients is challenging and can cause moral distress in caregivers and team members. We present two cases of mental illness.

Audience: All | Level: General

8:45 a.m. to 9:45 a.m. | Plenary | “What’s in a Word: Keys to Compassionate, Culturally Sensitive Communication” | Marcia Levetown, MD | Don't miss this opportunity to enhance your communication skills, deepen your understanding of advance care planning, and refine your approach to breaking bad news. Join us for a transformative session that will empower you to navigate complex conversations with empathy and professionalism in your healthcare practice.

Annual Awards Session will follow this presentation from 9:45-10:30

11 a.m. to 12 p.m. Breakout Session (Group A)

A-1 | “Pediatric Hospice: Pitfalls and Pearls from Our first 3 years”, Kelley Newcomer, MD, Medical Director at VNA Hospice of Texas | This presentation is a discussion of our successful addition of pediatric hospice to an otherwise adult hospice over the past 3 years. It will include how to form a team, and how to use existing workers in both adult and pediatric roles, as well as medications, symptom management, and concurrent care.

Audience: All | Level: General

A-2 | “Creating Efficient, Effective & Engaging IDTs”, Marcia Levetown, MD, MMM, HMDC, FAAHPM, Principal at HealthCare Communication Associates | This session will explore the role of the IDT and provide practical strategies to improve your team’s interdisciplinary function. By reframing the IDT in innovative ways, you can ensure effective and efficient use of your team's time, while also enhancing staff well-being and resilience.

Audience: All | Level: General

A-3 | “The Role of the Professional Chaplain: Leadership and Boundaries”, Danny Mack, Director of Spiritual Care at Christian Care Communities and Services | This presentation will delve into how chaplains can increase their value to the hospice marketplace. Attendees will gain a deeper understanding of the profound difference leadership and boundaries play in the IDG. Those who attend will be inspired, motivated, and encouraged.

Audience: Chaplains | Level: General

A-4 | Palmetto GBA Workshop (Billing and Medical Review) Part 1 of 4 | Charles Canaan & Dan George, PGBA Senior RHHI Ombudsman and Senior Medical Review

This four-part series is designed for hospice providers, billers, administrative staff and clinicians to equip them with the tools they need to be successful with Medicare billing and documentation. **Audience: All / Level: General**

12 p.m. to 1:15 p.m. Lunch

1:15 p.m. to 2:15 p.m. Breakout Session (Group B)

B-1 | “Bioethics for Interdisciplinary Team Members: Case-Based and Principle-Base”, Michael Frederick, MD, Associate Professor of Pre-Clinical Medicine at Burrell College of Osteopathic Medicine | Case-based and principle-based bioethics case analysis using the four-box method of casuistry and the four ethical principles model of Beauchamp and Childress will be taught and applied to examples for participants to analyze examples of clinical bioethics cases of a hospice/palliative care nature.

Audience: All | Level: General

B-2 | “The NEW Hospice Survey Lens: IDG, Home Visits & Interviews”, Kimberly Skehan, VP Accreditation at Community Health Accreditation Partner (CHAP) | The updated CMS hospice survey process highlights the important role of the IDG in survey readiness & success. Survey protocols are impacted directly by home visits and interviews, impacting a hospice’s survey outcome. Strategies to demonstrate compliance will be discussed.

Audience: Administrators, Bereavement Professionals, Chaplains, Compliance, Nurses, Physicians, Social Workers, Supervisors/Managers/Leaders, Volunteer

Coordinators/Managers | Level: General

B-3 | “Hospice Caregivers and Grief: Self Care by Practicing What We Teach” Rodney Bolejack, D.Min | The world believes hospice staff members are truly angels. But, alas, we are simply human. In our humanity, we experience grief & can be deeply impacted. We will identify various grief experiences, how unidentified grief may appear, & healthy ways to carry our grief & be more helpful care providers.

Audience: All | Level: General

B-4 | Palmetto GBA Workshop (Billing and Medical Review) Part 2 of 4, Charles Canaan & Dan George, Palmetto GBA Senior RHHI Ombudsman and Senior Medical Review | Continued from A-4

2:30 p.m. to 3:30 p.m. Breakout Session (Group C)

C-1 | “To Boldly Go Where No One Has Gone Before - Documentation Tips for Hospice Nurses”, Janet Mack, RN, Medical Review Nurse at Heart to Heart Hospice | Learn valuable tools and tips that will enable you to take your documentation beyond checkboxes.

Audience: Clinical Staff | Level: General

C-2 | “Can We Talk? - Communication in End of Life Care”, Helen Bauer, BSN, RN, CHPN, Hospice Nurse Consultant at The Heart of Hospice | Communication is key when it comes to quality end of life care. Whether that communication is with patients and families, coworkers, vendors, or other care providers, every member of the hospice team should know the benefits of skilled communication and how it can affect your agency’s culture.

Audience: All | Level: General

C-3 | “LGBTQ+ Inclusive Care”, Jessica Wright DNP APRN FNP-C ACHPN, Family Nurse Practitioner at Compassus Hospice | This LGBTQ+ cultural competency bundle aims to bring awareness, promote inclusivity, and promote strategies to develop LGBTQ+ allies in healthcare staff members. Also to increase sexual orientation and gender identity (SOGI) discussion, EHR SOGI data collection, and completion of ACP to incorporate family of choice based on patient wishes. **Audience: All | Level: General**

C-4 | Palmetto GBA Workshop (Billing and Medical Review) Part 3 of 4 | Charles Canaan & Dan George, Palmetto GBA Senior RHHI Ombudsman and Senior Medical Review | See A-4 for description, continued from B-4.
Audience: All / Level: General

3:45 p.m. to 4:45 p.m. Breakout Session (Group D)

D-1 | “Non-Pain Symptoms in Hospice”, Linda Tavel, MD, Hospice and Palliative Physician | Hospice patients experience many symptoms in addition to pain. This session will review some of the more common concerns: dyspnea, nausea, constipation, and insomnia. Non-pharmacological and pharmacological approaches will be discussed.
Audience: Nurses, Physicians | Level: General

D-2 | “At the Intersection of Hospice and Law”, Joseph Roosth, MD, Medical Director at Anchor Hospice Houston & Tanya Robinson, JD, Private Practice | Hospice providers are increasingly under legal scrutiny from legal profession. Lawsuits abound involving such issues as failure to provide the standard of care, wrongful death, Medicare and Medicaid fraud. This talk will discuss known cases, case law and how these issues relate to ethics.
Audience: All | Level: General

D-3 | “The Ethics of Culturally Inclusive End of Life Decisions/Advance Directives”, Kimberli Phillips, PhD, LCSW, ACHP-SW, Professional Services Manager and Social Worker at BSA Hospice of the Southwest & Texas Tech University | This presentation will present information on techniques for appropriate end of life conversations, specific advance directive information, and education on ethically and culturally specific considerations.

10:30 a.m. to 11:30 a.m. Breakout Session (Group E)

E-1 | “Must We Tell Children that They Are Dying? a Case Study”, Caroline Gold, LMSW, Hospice and Palliative Care Social Worker at Dell Children’s Medical Center | In this presentation, we offer a case study of a young cancer patient whose parents wished not to disclose to her that she was dying. This patient case provides an opportunity to re-evaluate practices of prognostic disclosure to children who are enrolled on hospice care. **Audience: All | Level: General**

E-2 | “Follow the Yellow Brick Road: Hospice Documentation Success”, Janet Mack, RN, Medical Review Nurse at Heart to Heart Hospice | Like Dorothy in the Wizard of Oz, we all believe there must be a Yellow Brick Road that will get us what we are looking for - documentation success! Come along on the journey with me as we explore the "Lions and Tigers and Bears, oh my!" that we encounter in our documentation for all disciplines.

Audience: All | Level: General

E-3 | “Ethical issues with APS and Social Work”, Valencia Hooper-Alexander, LMSW, Hospice Social Worker and Stephanie McCoy, FBCE-APS | Most families understand the hospice philosophy. But what do we do with the family that insists on calling EMS, or tells our staff not to mention hospice or dying? And what do we do with the estranged family members from out of town? We will review strategies for diffusing these tough situations.

Audience: All | Level: General

E-4 | “The Application of Human Resources in Hospice”, Chassie Huffman, Senior Policy Specialist VI at Health and Human Services Commission | We will delve into critical aspects of the rules behind managing personnel in the hospice care environment. A Texas regulatory discussion of Background checks (EMR/NAR/Criminal History), what goes in an employee file, employee evals and competency, administrator and Alternate Administrator Training and Qualifications and hospice staff training.

Audience: All | Level: General

12:45 p.m. to 1:45 p.m. Breakout Session (Group F)

F-1 | “Palliative Care for People With Intellectual Disabilities and Cancer”, Mary Scheerer, MD, and Marsha Perales-Hull, MD at Texas Tech University Health Science Center | This workshop will be an interdisciplinary discussion of case studies and approaches on how to provide palliative care for people with intellectual and/or development disabilities and cancer. Learners will gain new understanding about palliative care in this unique patient population.

Audience: All | Level: General

F-2 | “Hospice Nurses Speak: Results of the Hospice Nurse Survey”, Shelley Henry, RN, CPHRM, CHPN, President at The Amity Group | A nationwide survey was conducted among 837 hospice field nurses aimed to identify their priorities, challenges, and suggestions for improving job satisfaction. Insights gained from this survey can aid hospice agencies in attracting and developing new nurses while reducing costly turnover.

Audience: All | Level: Intermediate

F-3 | “Dealing with Issues of Suicide”, Sandi Hebley, RN, LMSW, Nurse Educator at Faith Presbyterian Hospice | The subject of suicide comes up with hospice patients. Physician Aid in Dying is legal in some states including New Mexico, which increases the likelihood of these discussions. Hospice providers need to be prepared for these conversations and how to help patients work through their options.

Audience: All | Level: General

F-4 | “HCSSA Updates and Top 10 Highlights”, Julianne Urban, Program Specialist and Monica Castillo, RN, Texas Health and Human Services Commission | Changes to top 10 violations from FY 2023 and understanding how those violations can help the agency better prepare for the survey. Updates to SOM Appendix M. ANE reporting changes effective September 1, 2023.

Audience: All | Level: General

2:00 p.m. to 3:00 p.m. Breakout Session (Group G)

G-1 | “Deprescribing: A Quality Intervention & Its Impacts”, Lauren Templeton, DO & Ellen Fulp, PharmD | Deprescribing is a quality intervention. This presentation explores the impacts of deprescribing to navigate quality, compliant & financially sound hospice care. It will assist hospices in identifying impacts on publicly reported data & understanding and addressing barriers to medication cessation.

Audience: All | Level: General

G-2 | “Understanding Value Based Care Organizations and Collaboration with Hospice”, Katie Andler, MSN, RN and Dr. Vishal Kapadia, Optum Home & Community Care – Landmark Health | This presentation explores hospice collaboration from the lens of a value-based care organization. Content will include what a value-based care (VBC) organization is, why hospice is important to VBC organizations, and how to effectively market to and collaborate with VBC providers.

Audience: All | Level: Intermediate

G-3 | “Guiding Through Grief: Unveiling the Power of Hospice Bereavement Services”, Jerry Fenter, System Director of Spiritual Counselors at Harbor Healthcare Systems | In this presentation, hospice professionals will learn the critical need for a robust bereavement program, emphasizing the importance of quality bereavement care and agency sustainability. This presentation will explore the regulatory and compliance considerations that must be practiced. **Audience: All | Level: Intermediate**

G-4 | “Medicaid Hospice Utilization Review”, Maria Gomez, Texas Health & Human Services Commission | This presentation will discuss federal regulations and state rules applied to the Medicaid Hospice Utilization Review (UR) program. An overview of the scope and responsibilities of UR, the documentation request and clinical review process, and newly adopted rules will be included. **Audience: All | Level: Intermediate**

Why do our hospice partners love us so much?

Superior Service for Your Patients

Horizon is the #1 choice for service with the highest satisfaction ratings in the industry. Our employees are compassionate and receive extensive training to deliver best-in-class care to patients.

We over communicate, never have hidden fees, will move furniture, and our team members train to go above and beyond for you and your patients.

Hear from some of our clients

When we changed to Horizon DME it was the **best decision we have made**. Our patients are receiving the best equipment and customer service available. The difference for our staff is palpable.

Sarah M. | President & CEO | 20 years in hospice

I would recommend Horizon to all in need of **high-quality equipment, friendly and experienced professionals**. Horizon truly lives their mission and purpose.

Angela M. | Senior Vice President | 25 Years of Hospice Experience

Horizon always **exceeds our expectations in every way!** The staff are well trained and treat patients and families with compassion and respect.

Suzi J. | VP Advanced Illness, Palliative and Hospice | 36 years of Hospice Experience

Horizon **keeps their promises** and their service is as outstanding as they will tell you it will be. The switch out process was so easy. The Horizon team is amazing! We wish we would've switched over sooner.

Desha H. | Director of Hospice | 25 Years of Hospice Experience

Increase Your Bottom Line

Drive ADC and revenue through **improved referrals satisfaction, faster delivery times, highest service levels**, and software solutions.

Remove the middleman and **go direct**. Our team handles it all for you - from start to finish.

Control costs through our software solution. Our Executive Dashboard allows you to track your budget, and triage patients in emergency situations, plus much more.

Technology that Makes Your Job Easier

Our proprietary technology allows you to get **real-time updates** on orders and detailed ticket information so you can focus on supporting your patients.

Web-based and **accessible on any device**, with individual logins for each member of your team.

Triage your patients by location or equipment anytime!

Let us be a blessing to you!
